

AGREEMENT

This agreement is entered into by and between *the author of the work by correspondence*, hereinafter referred to as "**the Author**" and the

Institute of Soil Science and Plant Cultivation – State Research Institute in Pulawy, hereinafter referred to as "**the Licensee**". This agreement is concluded by submitting a paper to Current Agronomy (abbreviated CA) via the editors' Open Journal System (OJS).

§ 1 Subject matter of the agreement

- 1.1. The subject matter of this Agreement is providing the Licensee with access to the manuscript submitted to the Editorial office of Current Agronomy via the OJS system, before and after reviews, hereinafter referred to as the "**Work**".
- 1.2. Upon delivery of the Work, confirmed by registration in the OJS system, the Author grants the Licensee a non-exclusive licence to use the Work in the following fields of exploitation:
 - a) production of copies of the Work using a specified technique, including printing, reprography and digital technology, particularly by means of copying onto digital media, making available in the form of digital files. This includes making the Work available on the Internet and in the form of so-called deep links leading directly to the Work;
 - b) marketing, lending of the original or copies of the Work;
 - c) submission of the Work to abstract and full-text bibliographic databases;
 - d) making the Work available to the public in such a way that everyone can access it from a place and at a time of their own choosing.
- 1.3. The Author confirms that they have the authority to enter into this agreement on behalf of all other authors of the Work.
- 1.4. The Author confirms that the Work has been provided to the Licensee in electronic format in accordance with Licensee's requirements.
- 1.5. The rights granted to Licensee's are not subject to geographical limitations.
- 1.6. The Author grants the Licensee the right to use and dispose of developments of the Work free of charge.
- 1.7. The Licensee may grant sub-licenses to the Work.

§ 2 Obligations of the Licensee

- 2.1. The Licensee shall ensure that the Work is clearly labelled as intellectual property of the Author.
- 2.2. The Licensee shall be obliged to sub-license the Work and any other material containing or based on the Work to third parties with provisions identical to the Creative Commons Attribution 4.0 licence (also known as CC-BY), available at <http://creativecommons.org/licenses/by/4.0/> or any later version of this licence published by the Creative Commons organisation.

§ 3 Remuneration

- 3.1. All performances stipulated in this agreement, in particular by virtue of the license granted, shall be free of charge.

§ 4 Miscellaneous provisions

- 4.1. In the event that the Author submits a written declaration of withdrawal of a Work already accepted for publication, the Licensee will charge the Author for the costs of review and editorial processing.

- 4.2. The Author confirms that the authors named in the work application have full copyright in the Work and that there are no legal obstacles to the conclusion of this Agreement. Furthermore, The Author confirms that, in the event of future agreements concerning the Work, they will ensure that the terms of this Agreement is honoured.
- 4.3. In the event that a third party raises a claim in connection with the Work, the Author will be responsible for any damages incurred by the Licensee.
